THE NIGHTMARE BEGAN  
WITH THE NEWS THAT

**RACHEL**

HAD BEEN KILLED.

My name is Delia Foster and Rachel was my youngest daughter.

When Rachel entered a room, it lit up, not only from her smile and personality, but from her willingness to help and inspire others.

But everything went dark in an instant when Rachel was struck and killed by a drunk driver.

Not only was Rachel taken from me, my husband, and her brothers and sister, but Rachel was a mother herself. She was killed just weeks after having her own little girl.

I lost my baby, and a child needlessly lost her mother. This should have never happened. No mother or child should ever have to endure this kind of loss.

Today, my heart still aches. Every time I see her photos and every time I look at my granddaughter, I remember what a special angel I had in Rachel.

Please join me in supporting Mothers Against Drunk Driving to do everything possible to stop drunk driving and help those who have had to experience such devastating loss.

*Sincerely,*

DELIA FOSTER
