

Be a Thoughtful Host.

8 PARTY TIPS TO HAVE A SAFE HOLIDAY GATHERING.

The holidays are a time for friends and family. Here's how you can help protect your friends and family this holiday season as we celebrate 35 years of the Designated Driver.

As guests RSVP, confirm that they have a plan for a safe way home via a non-drinking designated driver, such as a friend, rideshare service like Uber or Lyft or public transportation.

Plan activities like party games or door prizes that do not involve alcohol. Incorporate a theme and consider those guests that do not drink alcohol.

Provide other beverage options (i.e. sodas, non-alcoholic ciders, hot cocoa, or coffee). Make the other options entertaining! Create a hot cocoa bar, a custom coffee bar set up or build your own ice cream soda option. Drinking at parties is not required to have a good time and being creative with non-alcoholic options can be fun and festive!

Provide plenty of food to keep your guests from drinking on an empty stomach.

Create a themed "mocktail" for a fun alternative for your non-drinking designated drivers and others who prefer not to drink alcohol.

Never serve alcohol to someone under 21 and never ask anyone under 21 to serve alcohol at parties.

Remember that only time sobers a person up, which means you may need to offer the sofa or guest room to guests who should stay put for the night.

As the thoughtful and responsible host that you are, have fun- but not too much fun. Stay within your limits to make sure your guests stay within theirs.
