

Honoring Heroes Recognition Banquet 2023 ***First Responder Nomination Request***

Mothers Against Drink Driving (MADD) is proud to present its 34th annual ***Honoring Heroes Recognition Banquet***. This event is MADD's signature opportunity to honor the law enforcement officers, first responders, and court personnel who diligently work to support our shared mission to end drunk driving, help fight drugged driving, support the victims of these violent crimes, and prevent underage drinking.

We request your agency nominate outstanding colleagues who through their work exemplify MADD's mission, but also exhibit any of the following qualities:

- Provides prompt and professional care when working a traffic crash
- Raises awareness about the dangers of underage drinking & impaired driving through public speaking, volunteerism, safety fairs, and other community outreach
- Goes above the call of duty to help keep their community safe

Continuing this year! Your agency may submit multiple nominations given they represent different departments within the agency. For example, any officer or support staff that has embodied service above self and works to raise awareness on all levels of MADD's Mission.

Time is of the essence! Please have the most appropriate person submit the attached nomination form(s), along with a **two paragraph bio and hi-res photo** about your nominee(s), **no later than June 15, 2023**.

Banquet details: This year's Phoenix awards ceremony is **Thursday, July 27, 2023**, at the **Wild Horse Pass Casino Resort in Chandler**. We will have special guest speakers and highlight agency winners for the work they do to further MADD's mission. The evening will begin at 6:00 pm with an appetizer reception. Doors will open at 7:00 pm for dinner, and the award presentation will begin at 7:30 pm. Each honoree will receive two (2) complimentary seats to the banquet. Additional tickets are available for \$100 or a table of ten (10) for \$1000. **Please confirm ticket or table purchase no later than July 11, 2023.**
