*Total Killed includes fatalities in crashes in which there was no driver or motorcycle rider (operator) present.

**2025 Data is not available to complete the New Year's Eve holiday time period for 2024. Thus, only the 24-hour time period on New Year's Eve 2024 is included.

Numbers in the various BAC categories are estimates derived from a sophisticated statistical procedure. The estimates are rounded to the nearest whole number, however, percentages as displayed are calculated from the unrounded estimates and may not equal those calculated from the rounded estimates. Totals may not equal the sum of components due to independent rounding.
